## **NOTICE**

### **TO ALL ELECTRICIANS WORKING FOR C-10 CONTRACTORS**

This is to notify all electricians working for C-10 Contractors in the State of California. Certification is required for all persons who perform work as electricians for contractors licensed as Class C-10 electrical contractors under the Contractor's State License Board Rules and Regulations.

**“Electricians” include all persons who perform work as electricians for contractors licensed as Class C-10 contractors under the Contractors’ State License Board Rules and Regulations or electricians who engage in the connection of electrical devices for electrical contractors licensed pursuant to Section 7058 of the Business and Professions Code, specifically, contractors classified as electrical contractors in the Contractors’ State License Board Rules and Regulations.**

**For more information on certification requirements or registration and testing, please visit our website at [www.dir.ca.gov/DAS/ElectricalTrade.htm](http://www.dir.ca.gov/DAS/ElectricalTrade.htm) or you can call us at (415)703-4919.**

Certification is not required for persons:

- who are performing work for contractors licensed as Class C-7 low voltage systems, or
- Class C-45 electric sign contractors as long as the work performed is within the scope of the Class C-7 or Class-45 license, including incidental and supplemental work as defined in Section 7059 of the Business and Professions Code, and regardless of whether the same contractor is also licensed as a Class C-10 contractor.
- who perform electrical connections under 100 volt-amperes nor to persons performing work to which Section 7042.5 of the Business and Professions Code is applicable, or to electrical work ordinarily and customarily performed by stationary engineers.
- who perform electrical work in connection with the installation, operation or maintenance of temporary or portable electrical equipment performed by technicians in the theatrical, motion picture production, television, hotel, exhibition or trade show industries.
